Livonia PTSA Council Nominee Form

Livonia PTSA Council strives to recruit volunteers from all areas of this school community. **Please consider offering your time and talents as an Assistant for any of Council's committees.** Your attendance at meetings is not required - only your dedication to promote the benefits that PTSA Council offers to students and families in our schools.

Those who are interested in serving Council as an **executive board member** should possess a working knowledge of Local, State, and National PTA/PTSA policies and regulations. It's desired, but not mandatory, that applicants have achieved leadership experience at one or more of these levels. In addition, knowledge of our local school district's policies, buildings, and personnel is beneficial.

Livonia PTSA Council operates with six elected officers and an executive board consisting of individuals dedicated to serving the needs of students and families in our school community. While holding an officer's position or chairing a committee on Council, many executive board members are also very involved serving their local PTA/PTSA unit(s).

Service as a Council board member requires attendance and participation at monthly Executive Board meetings, which are typically held the first Wednesday of each month from September through June. In addition, each Council board member will act as a liaison for one or two local unit PTAs, is expected to support various Council events, and attend special meetings as needed.

If you are interested in serving on Council, please return this completed form to the following address:
