This year's theme is "Diversity means..."

The PTA believes all children deserve a quality arts education and encourages students to pursue artistic expression through participation in its annual arts Reflections Program. The program offers students in preschool through grade 12 the opportunity to create works of art for fun and recognition. It celebrates the many skills of our students and encourages them to pursue artistic expression in a number of different ways including Film/Video Production, Dance Choreography, Musical Composition, Photography, Visual Arts and Literature.
